Prayer Requests:

Jayne Gillett (Claudette Scott's cousin) has been moved to palliative care due to liver/kidney failure. Pray for peace for Jayne and her family as they minister to her. Ask our loving Lord Jesus to complete His purpose and plan for Jayne in His time.

Vernon Scott is scheduled for outpatient surgery at Graystone Surgical Center in Hickory tomorrow, November 18 for surgery to remove tissue attached to his right retina and cataract surgery in the same eye. Praise God that both his surgeons are highly skilled and profess their trust in Jesus! Pray that the Great Physician will guide them during the surgery and both procedures will be completely successful with no complications. Pray also for speedy healing with no inflammation or infection as well as complete restoration of Vernon's sight. Vernon will be very limited in his activities for eight days following, so please pray for peace and rest.
